BILLING CODE 4510-26-P

DEPARTMENT OF THE TREASURY**Fiscal Service****31 CFR Part 211**

RIN 1510-AA55

Delivery of Checks and Warrants to Addresses Outside the United States, Its Territories and Possessions

AGENCY: Financial Management Service, Fiscal Service, Treasury.

ACTION: Final Rule.

SUMMARY: This final rule revises the regulations governing the delivery of Treasury checks outside the United States by removing the reference to Vietnam. With the resumption of diplomatic relations, there is reasonable assurance that payees residing in Vietnam will receive and be able to negotiate Treasury checks for full value. An additional revision contained in this rule updates a reference to the Department of Veterans Affairs.

EFFECTIVE DATE: August 12, 1996.

FOR FURTHER INFORMATION CONTACT:

William S. Mehr, Manager, Administrative Services Branch, Financial Management Service, Department of the Treasury, Washington, D.C. 20227, (202) 874-6932; or Paul M. Curran (Principal Attorney) (202) 874-6680.

SUPPLEMENTARY INFORMATION: In response to inquiries from payment certifying agencies regarding the possible resumption of the delivery of Treasury checks to Vietnam, the Department of the Treasury requested information from the Department of State (State) regarding banking and postal conditions in that country. State has advised that, within the past year, banking facilities in Vietnam have improved greatly and should continue to do so.

With respect to postal facilities, State has proposed a system whereby Treasury checks will be sent by diplomatic pouch to the American Embassy in Hanoi. Further delivery, by hand, to the American Consulate in Ho Chi Minh City also will be arranged by Embassy personnel. Because of the small number of payees residing in Vietnam, this arrangement is feasible for both Treasury and State. Additionally, it

is acceptable to payment certifying agencies.

Accordingly, there is reasonable assurance that payees living in Vietnam will receive checks drawn against funds of the United States and will be able to negotiate the same for full value. For this reason, 31 CFR 211.1(a) is being revised to delete the reference to Vietnam.

The regulation also contains outdated references to the Veterans Administration. This amendment will correctly refer to the Department of Veterans Affairs and the Secretary of Veterans Affairs.

Rulemaking Analysis

Because no notice of proposed rulemaking is required for this rule, the provisions of the Regulatory Flexibility Act do not apply.

It has been determined that, because this regulation involves a foreign affairs function of the United States, it is not subject to Executive Order 12866. Therefore, a Regulatory Assessment is not required.

Notice and Comment

Because this rule removes a restriction on the delivery of Treasury checks to a foreign country, the Department of the Treasury has determined that notice of proposed rulemaking, public procedure and a delayed effective date are not required pursuant to 5 U.S.C. 553(a)(1), 5 U.S.C. 553(b)(B) and 5 U.S.C. 553(d)(1).
